This list contains 4449 protected names

**RÈGLES FIXÉES PAR LE CONSEIL EXÉCUTIF
POUR L'ÉTABLISSEMENT DE LA LISTE INTERNATIONALE
DES NOMS PROTÉGÉS À PARTIR DE 2006**

La liste des noms protégés est mise à jour dans les conditions suivantes :

1. - Chevaux de courses :

- a) Inscription automatique des noms des gagnants des 11 plus importantes courses internationales, ouvertes aux 3 ans et au-dessus, suivantes :

Amérique du Sud (2) :	- Gran Premio Carlos Pellegrini - Grande Premio Brazil.
Asie (4) :	- Melbourne Cup - Dubai World Cup - Hong Kong Cup - Japan Cup
Europe (3) :	- Prix de l'Arc de Triomphe - King George VI & Queen Elizabeth Stakes - Irish Champion Stakes.
USA (2) :	- Breeders' Cup Classic - Breeders' Cup Turf.

- b) Les pays peuvent proposer au Conseil Exécutif de la FIAH pour accord, un maximum de 3 noms, par année, de chevaux de courses dont les performances justifient une telle protection.

Chaque demande doit être accompagnée des informations suivantes :

- le nom du cheval
 - le sexe
 - la robe
 - son pays de naissance
 - l'année de sa naissance

 - le nom du père
 - le nom de la mère
 - le nom du père de la mère
- | avec l'indication
| du suffixe
- Justification de la demande
 - Performances détaillées.

*

2. - Chevaux d'élevage :

La protection de leur nom est accordée :

- aux poulinières qui ont produit au moins deux gagnants de courses du Groupe 1 et un autre gagnant de « Black Type ».
- aux étalons ayant produit au moins 15 gagnants différents de courses du Groupe 1.

Seules les courses du Groupe 1 figurant dans la 1ère partie du « Livre International des Courses donnant droit aux caractères gras », seront prises en considération.

Le Secrétariat du Comité International des Stud-Books assurera la mise à jour régulière de la liste.

APPENDIX (9) RELATED TO ARTICLE 14
(International Agreement on Breeding, Racing and Wagering)

**RULES ADOPTED BY THE EXECUTIVE COUNCIL
FOR ESTABLISHING THE INTERNATIONAL LIST
OF PROTECTED NAMES FROM 2006**

The list of Protected Names is updated as follows :

1.- Racehorses :

- a) Automatic addition of the names of the winners of the following 11 most important international races for 3 y.o. and upwards :

South America (2) :	- Gran Premio Carlos Pellegrini - Grande Premio Brazil.
Asia (4) :	- Melbourne Cup - Dubai World Cup - Hong Kong Cup - Japan Cup
Europe (3) :	- Prix de l'Arc de Triomphe - King George VI & Queen Elizabeth Stakes - Irish Champion Stakes.
USA (2) :	- Breeders' Cup Classic - Breeders' Cup Turf.

- b) Countries can propose to the IFHA Executive Council for approval, a maximum of 3 additional names per year of racehorses whose form justifies such a protection. Each such request must be supported by the following information :

- the name of the horse
 - sex
 - colour
 - country of birth
 - the year of its birth

 - the name of the sire
 - the name of the dam
 - the name of the dam's sire
- | with the suffix
- Justification for the request
 - Race record.

2. - Breeding stock :

Protection is given to :

- Broodmares who have produced at least two Group 1 winners and one other Black Type winner.
- Stallions who have produced at least 15 individual Group 1 winners.

Only those Group 1 races listed under Part I of the International Cataloguing Standards would qualify for consideration.

The Secretariat of the International Stud Book Committee will update this list on a regular basis.
